Attn: Webster Marching Band Members, Family and Friends.

I wanted to take the time to reintroduce myself. As most of you know, I have been involved with the program for the past two years in the capacity of a member of the visual and music staff. I am honored that I have been chosen to be the next person to lead the program.

As I look forward into the upcoming season and beyond, I am committed to do whatever it takes for the success and growth of the marching band and the entire music program at Webster. In my 25 plus years in the marching arts activity, very seldom have I come across a harder working and more committed team of people. The entire programs work ethic and desire is above most. Not to mention the boosters are the best in the business.

The first event that we will be hosting since my appointment will be the Paper Plate/Pizza Party on Friday, January 16, 2009 6:00 – 10:00 p.m. Willink Middle School Cafetorium. I encourage all students within the music department and or individuals who are interested in the color guard to attend this event. At this event, we will announce the 2009 Show concept and staff. Along with this, we are going to also announce some new and exciting ideas and events that will be taking place during the 2009 season.

I would also like to extend to you that I have an open door policy, if you ever have any questions or concerns, please do not hesitate to ask.

Happy Holidays to you all and see you all in January
Brian Wilt – Webster Marching Band Director
